Kingz Kidz Update

First off, Happy New Year! Last year brought some changes with Ben and Melissa stepping down from the roll of Ministry Directors of Kingz Kidz as they were called to move to Saskatchewan.

My name is Taralyn McCarthy and I began training in November and fully took over in the beginning of December. My husband Craig and I have

lived in Lethbridge most of our lives with a 7 month trip away to Australia where we went to bible school at Capernwray. There we also got engaged and now have 2 young sons, Calvin and Sam. We have been coming to King of Kings for 7.5 years and I am very excited to take on this position as I have always enjoyed working with children as well as planning and organizing.

Taking a position like this was not even on my radar but I know God has been preparing my heart and gifts for this role for a long time. It has already brought me joy and encouragement to see the children learning and playing as well as getting to know so many wonderful volunteers.

It was a busy month in December with a Young Families Christmas party and new Christmas curriculum as well as a Christmas presentation by the kids on the hand bells! Coming into the new year the kids have started a curriculum called At The Zoo. In this 12 week series the kids will explore the different ways God has made us all different and how we are to use the unique gifts and interests God gave each of us to glorify Him, pursue a relationship with Him and let our light shine.

New to King of Kings?

If you are new to King of Kings please feel welcome to take a tour of our children's ministry set up. All children's ministry volunteers wear red aprons and would be willing to familiarize you and your child with our program! Our process for your child to attend Kingz Kidz includes:

1. Registering your child for Kingz Kidz (a one time form)
2. Signing your child into Kingz Kidz each Sunday
3. Giving your child a name tag
4. Signing your child out at the end of church

INTRODUCING...

For the new series we will be introducing **Sword Drills** for the older children of Kingz Kidz. For those of you not familiar with what a Sword Drill is it is a race to find a specific bible verse. This will be a great way to help the children become even more familiar and comfortable with their bibles so **please make sure they are coming to church with their bibles**, there are extra for those who do not have one or forget.

SAVE THE DATE!

There will be a volunteer appreciation dessert night and meeting **Friday February 9th at 7pm.**

Location still to be determined. If you are a volunteer for the children's ministry in any way this is for you! Please let Taralyn know ASAP if you can make it that night either by text or email.
